

Complete this schedule to claim a rebate for the provincial part of the HST for each activity that you perform. If you engage in various public service body activities, you may qualify for rebates at different percentages based on the extent to which you use eligible goods or services in each activity. If your organization is resident in more than one province, at least one of which is a participating province, you have to calculate the public service bodies' rebate for the provincial part of the HST based on the extent you intended to consume, use or supply property or services in the course of your activities in each province in which you are resident. No provincial rebate is available for goods and services on which you were only charged the GST. To determine the amount to enter on the appropriate line(s), see Guide RC4034, *GST/HST Public Service Bodies' Rebate*.

Note

The HST applies in Ontario only **after** June 2010, in British Columbia only **after** June 2010 and **before** April 2013, and in Prince Edward Island only **after** March 2013.

If you are electronically filing your rebate application, complete the applicable schedules electronically. Otherwise, attach this schedule to your Form GST66, *Application for GST/HST Public Service Bodies' Rebate and GST Self-Government Refund*.
